## THERE'S NO CAMP QUITE LIKE ALEXANDER CAMP!

It's all about fun. It's all about friendship. Alexander Camp is also about fostering a sense of enjoyment and engagement in your child.

Through a variety of stimulating activities, your child is provided with the opportunity to discover teamwork and sportsmanship, a love of learning, and renewed self-confidence - all while having a blast!

## ABOUT ALEXANDER MONTESSORI SCHOOL

Founded in 1963, family-owned Alexander Montessori has taught children to love to learn for over half a century. We've earned a superior reputation as one of the nation's leading "authentic" Montessori schools, one outstanding student at a time.

## THERE'S SOMETHING FOR EVERYONE!

Talk about kid-friendly . . . Designed for children from 3-12 years of age, Alexander Camp is conveniently located, affordable, and offers a variety of different programs geared to your child's age, stamina, and skill

level. Our campers also come from all over the world, so no two students are alike in personality, talent, or world view. To meet the needs of every student, we alternate the indoor and outdoor events, varying them in length

according to the activity and the age/interest of each group. And the environment is always supportive, respectful, and designed to bring out the best in each child.

A photograph of three children sitting on a large, dark-colored dinosaur prop on a grassy area. The child on the left is a boy wearing a blue baseball cap and a white t-shirt with the 'ALEXANDER CAMP' logo. The two children on the right are girls, also wearing white t-shirts with the 'ALEXANDER CAMP' logo. They are all smiling and looking towards the camera. In the background, there is a wooden structure, possibly part of a camp building, and some greenery.
